

## Supplier Partnerships

We partner with property managers, furnished housing providers, and various housing vendors to thrive and strengthen workforce housing on-demand.

Specially designed for our partners with multiple fully furnished units, the Alliance Partnership Program allows you to receive requests in locations where you have available inventory.

Whether you're a boutique housing provider or you have a robust inventory that includes multiple markets, the Alliance Partnership Program is scalable for all company sizes and is designed for you to truly succeed.

## It Pays to Be an Alliance Partner

Our unique approach to housing allows us to create valuable supplier partnerships that is mutually beneficial.

### Reduce Vacancy

Vacancies impact your bottom line. Let us help you fill them and put money in your pocket.

### Easy Registration

If you have multiple furnished apartments, we won't require you to submit a profile for all of them, write lengthy property descriptions or upload photos before even getting your first lead.

### 100% Free To Use

Your properties receive high visibility by a targeted audience, and you won't have to increase your marketing budget by partnering with us. And there is absolutely no fee to register or use our service.

### Less Risk

Travelers Haven will be the responsible party when apartments are rented. This means you'll be paid on time without any hassle.

### Access To Our Clients & Sales Team

If you are a member, anytime a client makes a reservation request, our technology will automatically match with the criteria you set-up and you will receive the request. When your furnished apartments meet those needs a request soon becomes a lease.

### Save Options

Every time you respond to a reservation request, the apartment is stored in the system. For example, if you bid on a one-bedroom in Denver, it's saved for the next time we receive a similar request.

## Steps To Become An Alliance Partner

Contact Travelers Haven to speak with an associate. If you decide it's a fit, we will send you a registration request.

Complete your registration. Registration is easy and takes less than 5 minutes.

Add available markets to the Travelers Haven Portal.

Start to receive reservations requests soon after.

## How Reservation Requests Works

- 01 A client housing request is received.
- 02 Our technology matches Alliance Partners in the area and notifies them of the request.
- 03 Alliance Partners provide housing options to match the request.
- 04 Housing options are provided to the client.
- 05 The client accepts a housing option.
- 06 Reservation and leasing process is completed.
- 07 Client moves-in!
